Cindy

It's ~~my~~ second very best friend. Always remembers all of the fun that we have had in our 4 years of school, and you just can't forget our problems, especially with those stupid boys, but what would we ever do without them? I'm glad to see that you haven't given up on Jerry yet. But I must tell you that I don't think he deserves someone like you; I am in more of your type.

Right? By the way, you are invited to my wedding. You can come with Florida, o.k.? We haven't set a date yet, but we're sure we want it within the next 1 1/2. Oh, you must remember Henry, maybe someday you two will get together yet. I wouldn't it be nice if we ~~be~~ ~~and~~ ~~visit~~-in-laws. I hope so.

What the world needs now is love . . .

The door of educational opportunity opens and we enter to drink from the fountain of knowledge. Some desire only to have a sip and that is all they receive. They fail to realize that a sip of knowledge is but a sip of life.

For others there is not enough here to quench their longing thirst and so they go on to further their education.

Amidst the teaching and the learning are the

friendships that develop among students and teachers; the genuine fellowship among men that is so important in today's world. Friendship, acquired through learning and working together, brings us to unison one with another. We hold the key, in a little word called Love, to a happy life in a peaceful world.

Yes, what the world needs now is Love, sweet Love.

With the resuming of classes in September Prairie Heights Junior-Senior High School becomes more than just a building. It becomes an educational institution offering to its students the opportunity to develop their potentialities. With the great variety of extra-circular activities P.H.H.S. becomes the center of many activities.

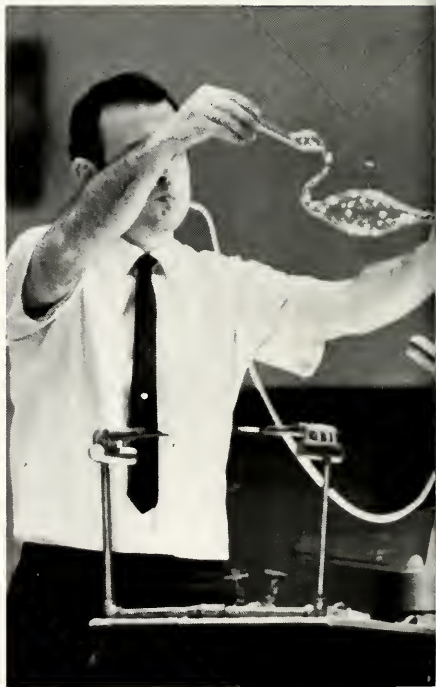

School spirit grows and through the years we become a more unified body. Through supporting our teams in victory and defeat we display the very truest school spirit.

The opportunity is here to develop skill in athletics, art, music and whatever we wish to pursue. It is here that our bodies and minds are shaped to meet the challenges and responsibilities of the world.

... not just for some, but for everyone

Love is:

winning the first annual homecoming
football game ...
everything going according to schedule
the first night of the play
making the honor roll ...
being invited to the Sweetheart Dance
by someone special ...
captivating memories of school year 1967-68
into the context of this yearbook ...
graduating with precious and fond
memories of PHHS ...

Academics

Love is knowledge

Love is the attainment of higher education, the fulfillment of one's life through experience—the experience of learning.

Love—achievement in the classroom by doing one's best, through active participation. Knowledge: a gain within an individual accomplished only by that person.

Mr. Ice—Principal

Mr. Cline—Vice Principal

Establishing tomorrow's

Mr. Grabill

Mr. Foltz

Guidance

Administrator

The school board, consisting of five members and their executive officer, the Superintendent of the school, form the foundation of the Prairie Heights Community School Corporation. The board's primary functions are to formulate plans for the policy and administration of the system and to formulate a budget which will maintain the schools in accordance with school laws of the State of Indiana.

Below is the school board which consists of, from left to right,: Mr. Dale Hughes, president; Mr. Kenneth Perkins, member; Mr. Burton Lewis, member; Mr. Don Sellers, vice-president; Mr. James Butler, secretary; Mr. Brice Diehl, Superintendent.

Mr. Diehl, superintendent of our school system, is a very busy man with many demanding responsibilities.

Backstage—where the action is

From left to right: Georgene Call, Virginia Spero, Lois Faust, Marcella Blair, Frances Stayner, Charlotte Morningstar, Delia Keller, Margaret Rhinesmith, Bernadette Sutton, Jane Gunning.

Sock it to 'em, Bardo!

Preoccupied by busy scurrying to and from classes, we often fail to look at behind the scene crews of cooks, janitors, and bus drivers. Transportation to and from school, a warm meal at noon and clean classrooms are often taken for granted. The feeding of approximately 650 teachers and students, the cleaning and maintenance of a high school and its landscaping and the transporting of some 600 students is no minor task. (Above) From left to right: Walter Bergman, Sharon Holiday, Wenzel Bardo. Front: Robert Kellett.

Library offers service, mind stimulation

This year the Library Club was under the leadership of these elected officers: Beverly Chrysler, president; Adele Lash, vice-president; Diane Shumaker, secretary; Susan Hughes, treasurer.

Activities the members perform are many and varied. They check books out and in, shelf books, and help students find information in the Library. Service is considered a pertinent part of their purpose as a club. Manifold repay comes back to each member by seeing students use the Library as a means of stimulating their mind.

Mrs. Bryan

A thought from the school Librarian:

There is no frigate like a book
To take us lands away,
Nor any coursers like a page
Of prancing poetry.

Emily Dickinson

Sally Clingan, a Library Club member, checks a book out for Diane Shire as Ed Gordon and Lisa Gallaway look on.

Poltergeists—P.H. theatre ambassadors

"The grass was richly green and the flowers were blossoming profusely." Choral reading presents a beautiful blending of voices.

Poltergeist is a touring dramatic group composed of Teresa Mikkelsen, Richard Simon, Dave Stayner, Amber Storer, Denny Tropp, and Pam Young. Sponsored by Mrs. Minks, they perform for churches and other clubs and organizations.

Their repertoire consists of a comedy, a serious drama, and choral reading. At Ball State they placed second in both Serious Drama Classification and Readers Theatre.

Posalein kisses Von Starkenfaust as Aunt Trudi, Aunt Mina, and the Baron look on approvingly. The Duke doesn't seem to be too pleased.

Teresa, Amber, and Dave "hold that pose" as Denny changes scenery to prepare for the farce they are about to act out.

English—a study in language, literature

Juniors concentrate on doing their best during a test.

The seventh grade listens as Mrs. Anderson explains a grammar assignment.

English classes provide a comprehensive study involving all areas of language arts and literature. Basic skills in spelling, vocabulary building, speaking, and grammar are stressed.

Mythology, short stories, poetry, essays, drama, prose, and research papers are requirements in various classes. Special projects included oral interpretation and television skits.

Some of the books students studied during the year were *MacBeth*, *The Illiad*, *Oedipus Rex*, *The Lord of the Flies*, and *The Scarlet Letter*.

Bringing life out of shadowy past

Within the framework of school publications are staffs of dedicated and hard-working students and sponsors who pride themselves in putting out good materials.

This year's Discovery was published once a month. Under Dave Stalf, Editor, the school paper underwent some "changing times" pains as all good publications must.

One issue of the school literary magazine, the Quidnuc, was put out this year under the direction of Editor, Bobbie Keyes.

Karen Gage, Editor of the Galaxy, brought back many new ideas from last summer's Yearbook Workshop at Detroit. The yearbook is a unique publication in that it can touch the memories of happenings long gone.

Mr. Woods

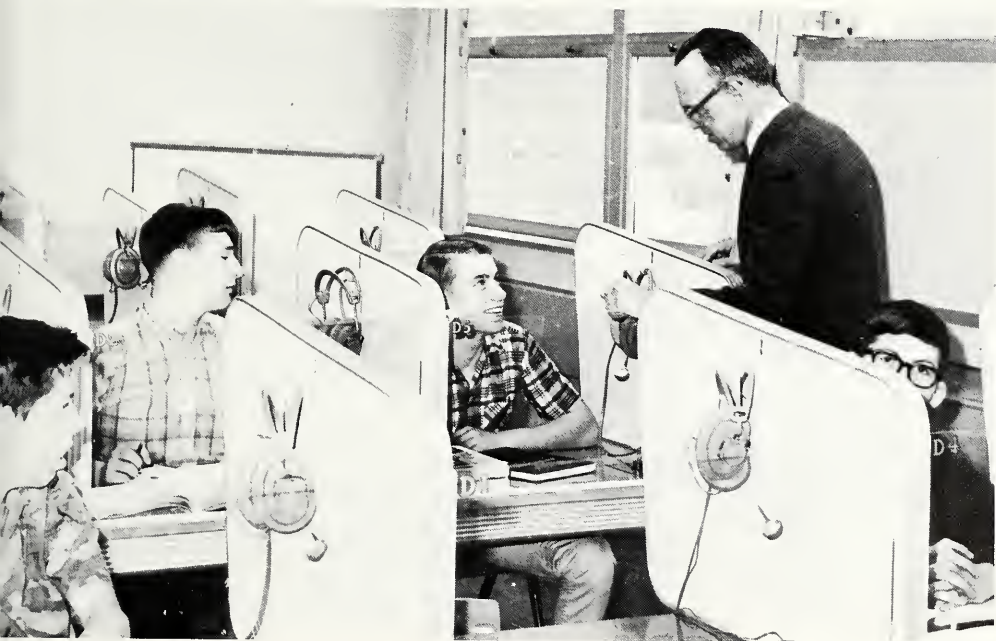

To the right, Mr. Woods instructs Scott Reese in the use of the Language Lab.

Foreign language is communication

The languages taught in our school offer an exciting way for the students to widen their interests. They not only learn another way to communicate but also about the cultures of different people. The facilities of the language lab enable them to become better acquainted with the language as the natives speak it by making tapes available to the students. These tapes are narratives and dialogues based on real life situations which help to make clear the correct pronunciations of the words. The languages are taught so as to give an even balance of reading, writing and speaking.

Students find the green house a place to study various plant life.

Science Club. FRONT ROW: Roger Leaders, Becky Diehl, Kathy Streb, Penny DeLancey, Dawn Albright. *BACK ROW:* Ken Lash, Dave Stayner, Dan Reese,

Science

Science year highlighted by research field trips

The Science Department of Prairie Heights offers its students a wide variety of courses. The courses offered range from General Laboratory Science to a highly rigorous College Zoology course. For those students who are ambitious, the Science Department offers a night class in Physics, which is conducted by a college professor from Tri-State College.

Mr. Ernest Young

Mr. Ernest Horvath

Mrs. Laverne Ailman

Freshmen Kathy Allen and Lee Richards attempt to solve algebra problems for the benefit of the entire class.

Mr. Hostetler explains the basic rules of mathematics to junior-high students. Mr. Click seems to be having the time of his life teaching his students. He really believes in taking life easy!

Math accents logical thinking through courses

The modern math movement is in full swing at Prairie Heights. The present Mathematics program offers courses in Business Math, Algebra, and Geometry. A special Advanced Mathematics course is offered to seniors who wish to better prepare themselves for college. The course includes Trigonometry and solid and analytical Geometry.

Mr. John Roush

Mr. Robert Hostetler

Mr. Roger Hillard

Students Bruce Outcalt, George Compton, Jerry Leaders, and Jerry Wooster appear to be having a meaningful discussion in regard to their algebra assignments. (What does a "tie" have to do with algebra?)

Social sciences stress heritage, understanding

Social Sciences includes the study of social relationships and the functioning of society. This study involves courses in history, government, economics, sociology, geography and psychology.

The primary aims of this department are to teach the student our American heritage, the workings of our government, and our relationships with other nations and with each other.

Class activities included a mock Congress and mock election, acting out the signing of the Constitution, building Medieval castles, and a team-teaching unit on Communism.

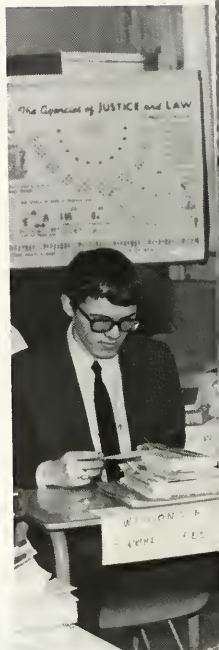

ABOVE: Mr. Bertels helps Ken Barkey with his World History while Gayle Boots looks on. UPPER RIGHT: Mrs. Minks' Advanced Government class holds a legislative session during their Mock Congress. LOWER RIGHT: Admiring seventh graders affectionately call their leader and master "Daddy Kuhn".

Business offers varied training

The major goal of the Business Education Department is to help the student adjust to a business environment. Business education has for its primary objective two purposes: vocational and non-vocational training.

In vocational training shorthand, bookkeeping, office machines, and typing II are offered. Nonvocational training offers bookkeeping, general business, and typing I.

Mrs. Myers

UPPER RIGHT: Filing was only one facet of the intricate Office Machines schedule. ABOVE: Bookkeeping class gives the student practice in accounting.

Lois Ulch is home-maker of tomorrow

Senior students in the Department of Home Economics have completed the tailoring of woolen suits using tweeds, flannels and knits in both bonded and non-bonded fabrics. The PH senior *Homemaker of Tomorrow* was Lois Ulch.

The juniors studied Human Development beginning with the pre-natal development of the child and proceeding through to six years.

Sophomores became skilled in the arts of Home Nursing and caring for the sick, and then began their work in the Food Lab.

Freshmen touched briefly on many areas.

Above—Becky Chamberlin files information on clothing in the home economics file. Right—Senior girls study during first period in the sewing room.

County music departments present music festival

"And the band played on . . ." Yes, 1967-68 has been a busy year for our high school band. In early August they began rehearsing for a fall schedule of La-Grange County Corn School, Auburn Fair and home football games. During the first few weeks of school they made eight public performances. The Memorial Day Parade in Orland last spring and commencement this spring were also included in their schedule. A trip to the Indiana State Fair and a tour of the Capital building highlighted their fall activities.

Three concerts, County Choir, the Easter Program and the Christmas Program were among the activities of our high school "harmonizers."

(Above) Mr. Riegel prepares the high school choir for their many performances through hours of practicing. (Right) Amber Storer, Doreen Norton, Linda Terry and Beverly Chysler warm-up during band practice.

Mr. Bruce Riegeh

Mr. Paul Tackett

Prairie Heights, Lakeland and Westview Choirs harmonize.

Freshman Jerry Graham, during one of the many band rehearsals . . .

Art-creativity in clay, brush strokes

Through art class, a student's creative ability is shown. Students find art a place where they can feel at ease.

Various aspects of art are explored with the student experimenting with papier-mache, wood carvings, painting, clays, block printing, and modulated brush strokes.

Mike Hall experiments with different water colors for various effects.

Lyle Chester works on his project.

Student learns correct painting procedure.

Building blocks of communication

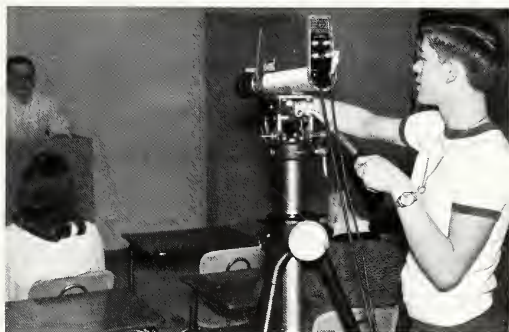

Mr. Russell Hepler

Jim Hodge, a member of the TV class, seems to be quite "wound-up" in a project. Perhaps "unwound" is more accurate. What's the word, Jim? For his instructor, Mr. Hepler, patience is the key.

In Speech class students not only give speeches, but are helped to build self-confidence, character, and stimulate their thinking. Through Speech class a student learns to express himself.

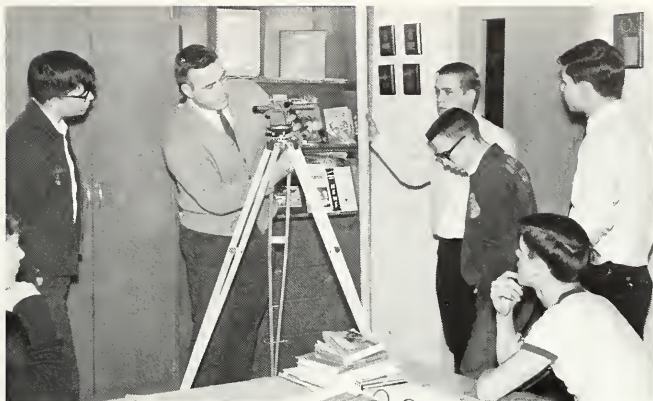

The Closed Circuit Television class has improved the school tremendously. Their video taping of football and basketball games for the coaches and players is just one example of their usefulness around the school. Much is expected in the future for the closed circuit television station at P.H.H.S.

Construction begun on wildlife pond

One of the major activities of the Agriculture Department this year has been the construction of a one-half acre recreation and wildlife pond on the school along the nature trail. An attempt is being made to form a "Community Services Cooperative" to provide services to area farmers and learn techniques of business. Services include (1) Tree planting—12,000 are on order and (2) painting tractors.

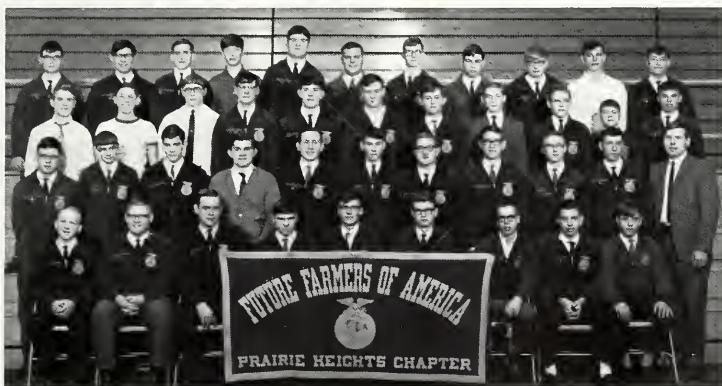

Mr. Ned Stump

Mr. Richard Grubaugh

F.F.A. boys enjoy an annual get-together. Mr. Stump explains the workings of a transit for use in surveying surrounding land.

Tumbling is one of the many exercises required in phys. ed. Perfect headstands are practiced over and over.

Mrs. Joyce Kuhn

Mr. Doyne Click

Maintaining balance is another aspect of gymnastics that is stressed. Here girls use that balance in constructing a pyramid.

Physical education

Physical education youth development

Physical Education is designed for the development of social, emotional, psychological and physical well being of young adults. It is the purpose of this department to develop these qualities in the students at P.H., therefore better preparing them to meet life's situations and to make useful contributions to society.

The activities participated in have been basketball, volleyball, tumbling, dancing, softball, dodgeball, apparatus, relays, ping pong, and deck tennis.

Athletics

Love is triumphant

Love—the excitement of victory, the acceptance of defeat, the knowledge of having done one's best;

Love is a good feeling, one of happiness—not necessarily shown by an outward smile, but felt inside, felt inside by an athlete who has a feeling of accomplishment.

Panther "Scream team" awards spirit trophy

Some one-hundred spirit-minded Junior High and Senior High students united to form the "Panther Scream Team" which supported out teams in victory and defeat. Marcella Haston served as president of the club. Other members filling in capacities of leadership for the club were: Sara Cline, vice-president; Nada Warble, secretary; Linda Benson, treasurer; Dee Sellers, reporter.

During basketball season a "Spirit Trophy" was awarded on a rotational basis to a member who displayed high marks of school spirit. Recipients were: Jackie North, Marcella Haston, Rhonda Atkins.

Talented cheerleaders Janice Shire and Debbie Halsey provide half-time entertainment at a home basketball game with their skillfully arranged floor act.

Jim Ellsworth, Jeff Holden and Dan Putnam, cheerleader Diane Shire, and Panther mascot Amber Storer, celebrate a Victory in the greatest Hoosier sport—Basketball. Jim's unbelieving eyes are answered by Jeff's reassuring "Ya, we've won."

Cheerleaders Jean Bell and Diane Shire are in action leading the Pep Club and fans in a spirited chant. The other active Varsity cheerleaders Sharman Sellers, Julie Halsey and Bobbie Keyes are not visible.

Football

Gridders split season;

Varsity Football **FRONT ROW:** E. Albright, L. Chester, D. Langley, L. Stall, B. Combs, D. Dunkel, Mgr. **SECOND ROW:** T. Levitz, L. Diehl, R. Perkins, D. Levitz, D. Reese, K. Aldrich, A. Knisley, V. Fretz, Coach Swan. **THIRD ROW:** G. Kessler, S. Reese, R.

Ernsberger, J. Sleeper, J. Wooster, D. Bowman, R. Fretz, B. Barnes, Assistant Coach Roush. **BACK ROW:** J. Ellsworth, D. Wilder, D. Putnam, K. Dunkel, J. Wren, C. Siders, S. Helmuth, L. Halsey, S. Perkins.

Dan Putnam (28) is shown gaining valuable yardage which resulted in a rushing average for the season of 7.6 yards a game.

Doug Levitz really "cut loose" and scored 149 yards rushing in the first Homecoming game.

Levitz, Putnam lead

Football is a rugged game in which the teamwork of eleven individual determines whether that game will end as a success or a failure. This past season a united Panther team put forth the effort necessary to bring home a record of 3—3—1.

Things didn't go according to plan in that first 13—6 loss to West Noble, but the victory wheel soon got rolling, and Eastside, Fremont, and Howe Military were caught up in it as the Panthers streaked for 56 points in the three contests. A hard-fighting team found the next games a bit tough as they went down fighting by tying Hamilton 0—0 and losing to both Churubusco and Lakeland by only one point, 13—12 and 7—6.

With a successful season behind them, it's no surprise that they are considered to be our "Pride and Glory."

The Panthers really fought for a victorious season by scoring a total of 64 points and allowing only their opponents only 45 points.

1967

Homecoming highlights

Bobbie Keyes, a 16-year-old junior, was crowned homecoming queen of 1967 during a ceremony in the school gym. Bobbie is the pretty brown-eyed daughter of Mr. and Mrs. Robert Keyes of Orland.

Classes and organizations worked diligently on their displays for the homecoming event. A rotating trophy was presented by the Student Council for the most original and creative display.

Really making homecoming memorable and successful was the Panthers battling through rain and mud to down Fremont, 18 to 6.

"Crack Up A Victory," the theme chosen by the Pep Club, was rated second by the panel of judges.

The Senior class displayed an "Eagle Beater" at our homecoming game against the Fremont Eagles. They received the trophy for the best display. Congratulations seniors!

Terry German, a Student Council representative is seen crowning our 1967 homecoming queen, Bobbie Keyes. Sara Cline, at right, is first runner-up. At left is Pauline Conley, second runner-up.

The eight lovely candidates and their escorts anxiously await the announcement of which girl shall reign as 1967 homecoming queen. Candidates: LuAnn Krebbs, Mary Rhine-smith, Pauline Conley, Edith Hall, Bobbie Keyes, Beverly McNett, Sara Cline, Corrine Kain.

Keith Dunkel and Dan Reese, co-captains of the football team, present the Queen with an autographed football. Keith and Dan each tenderly kiss the Queen.

Varsity ends 6—12 in fiery season; Holden nets most

With a very enthusiastic school body backing them, an energetic Panther team proved to their backers that they were out to give their "all" for P.H.H.S. Tasting the self-satisfaction of victory six times during the season, the Panthers accomplished a lot more than had been predicted.

With a promising team and a boom of school spirit, the future looks bright indeed for both Panther players and students.

Varsity Basketball. Left to right: D. Booth, R. Emrick, D. Putnam, J. McElroy, K. Lash, G. Walton, J. Holden, K. Dunkel, C. Siders, J. Ellsworth, S. Helmuth, J. Butler. Coach Click, Mgr. D. Dunkel.

Above: Action both confusing and frustrating was typical of Panther games. Right: Jeff Butler attempts to block a shot.

Everyone anxiously waits for the ball to come back down.

Terry Levitz goes high in the air for a shot.

Freshman, Jr. Varsity basketball

Future basketball looks bright

The Freshmen and Jr. Varsity basketball teams are providing some bright outlooks for future ball seasons here at Prairie Heights.

The Freshmen sported a record of 6—10, beating Hamilton 44—43, Westview 47—27, Fremont 54—17, West Noble 50—45, and Fremont again later in the season 44—29.

The Junior Varsity found teams a little bit tougher as they wound up with a record of 4—16. They downed Albion 38—36, Fremont 58—26, 44—25, and Jefferson Twp. 50—28.

Freshmen Basketball Team

Steve Gay and Duane Bowman halt the advance of their opponents.

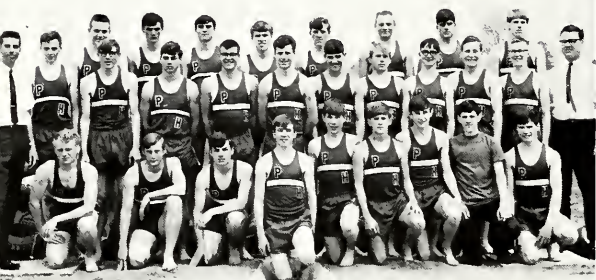

Terry Levitz takes a flying leap as he makes two for the Panthers.

A Panther once again gets the upper hand on the ball.

Jr. Varsity Basketball. FRONT ROW: R. Perkins, Mgr., L. Chester, J. Graham, T. Levitz. SECOND ROW: D. Bowman, R. Wilson, S. Gay, S. Perkins. BACK ROW: D. Wilder, G. Boots, M. Watkins, D. Rhinesmith, Coach Grabill.

Red Runners finish successful season

Varsity Track Team

Dan Reese set a new school pole vault record with a height of 10 feet.

Dan Putnam leaps to a first place finish as the Panthers won in a triangular meet over West Noble and Howe Military.

Rich Ernsberger completes one of his three jumps during the board jump event in the triangular meet.

The Red Runners had a pretty good season this year. Many new records were set and many of the old ones still remain for next year's boys to have a crack at. The RR's finished second in the Lakeland Invitational and third in the N.E.C.C. conference against some of the toughest schools in the area.

Dorane Beiswanger, Dan Putnam, George Compton, Terry Levitz, Jim Ellsworth, Jerry Wooster, Keith Dunkel, Rich Ernsberger, and Craig Siders all travelled to the sectional this year.

New records were set this year by Dorane Beiswanger-mile; Jerry Wooster-low and high hurdles; Dan Putnam-440 and broad jump; Jim Ellsworth-100; and Keith Dunkel-shot.

Bruce Outcalt crosses the finish line for second position in the 220 event against Fairfield at the Panther field.

Spring training for summer action

Enthusiasm generates from the dugout.

There's no time for thinking. It takes training to react in a split second.

Spring Baseball Team

The Panthers had a disappointing spring. Of the eighteen boys that made the spring squad, fourteen were freshmen and sophomores, so the team was lacking in experience. It is hopeful that the experience gained this spring will help the team this summer since the summer highlights their sport.

The Panthers won two and lost six. Their big win was over Bronson who had

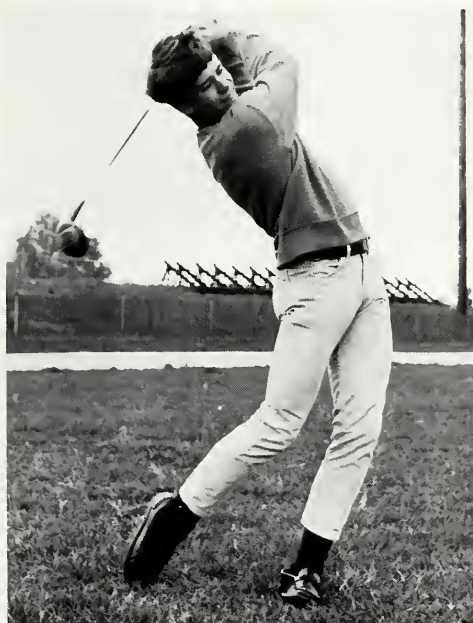

shut the Panthers out last year and was currently leading their "Little C" Conference. The other victory came over Westview. In sectional play the team was downed by the Westview Warriors, 4—1.

Leading hitter for the spring was Doug Booth with a .368 batting average. He also had the highest on-base-average of .550.

Booth takes first in sectional

Varsity Golf. *FRONT ROW:* D. Booth, M. Rhoades, L. Noll, V. Fretz, *BACK ROW:* Coach McGlennen, R. Fretz, J. Holden, G. Walton, J. Ellsworth, Coach Hepler.

Buttons popped with pride this spring when Doug Booth, sophomore, won the Sectional Golf Tournament. Doug tied for first and won in a two-hole play-off. This was the first time in the history of the Prairie Heights School Corporation that a sectional had been won in any athletic event. Doug went on to the Regional where he placed in the top fifteen.

The Golf Team ended their season with a 20—25 record. The "Swingers" are gaining valuable experience and the prospects for the future are bright. The team members are all freshman and sophomores so the next few years should show their strength.

Jeff Holden and Doug Booth both tied the low school record of 37.

Golf is becoming a more and more popular sport of both youth and adult generations. We have seen interest in golf grow within our own school in the past few years and the trend seems onward.

G. Compton placed first in the Lakeland Invitational and second in the N.E.C.C. Here he crosses the finish line first against Fremont.

1967 CROSS COUNTRY RECORD*

Student council initiates lunch schedule

The 1967-68 Student Council proved to be an effective and successful organization. Under the leadership of President Dan Putnam, the annual Christmas Dance was a memorable highlight of the year. Also, members worked diligently operating the concession area for sports events.

Ruth Glasgow serves demanding basketball fans.

Melanie Pusti and Mrs. Coler are busy at work.

NHS inducts twelve new members

New members are escorted to the reception after the induction ceremony.

The National Honor Society is a nationally recognized organization which bestows the honor of membership to this society to those students who have excelled in scholarship, Leadership, Character, and Service. This last year the present chapter inducted twelve additional members into the society.

Parents attend the induction ceremonies.

Dorane concludes the ceremony by signing the membership book.

National Honor Society **FRONT ROW:** Eloise Frey, Karen Parsell, Linda Benson, Rhonda Sellers, Bonita Hunter, Dennis Faust, Charlene Gillen, Scott Reese, Debra Weiss, Terry German, Dorane Beiswanger, Susan Hughes. **BACK ROW:** Keith Dunkel, Leu Sellers, Diane Shire, Diana Huff, Karen Gage, Sara Cline, Dan Reese, Julie Halsey, Beverly Chrysler, Sharman Sellers, Cheryll Koehler, Bobbie Keyes, Dave Stayner, Barbara Dunkel.

A-V Club

AV club proves to be helpful school organization

The A-V Club, through the skill of handling the projectors, duplicators, and laminating machines, proved to be one of the most helpful organizations in the school. They also showed the movie, "The Friendly Persuasion," for the public's viewing.

Lee Ulch looks at one of the many film strips filed in the A-V Room.

Busy at work is Cindy Nelson operating the laminating machine in the A-V Room.

GAA

GAA stimulates body and mind

The energy of today's youth is displayed through their participation in athletics. The G.A.A. organization stimulates fitness of body and mind.

G.A.A. activities included kick ball, soft ball, and bowling. Skill was developed in tumbling and trampoline exercises.

Jill Wren keeps score as the girls' organization took to the bowling lanes.

March Monday nights found the GAA'ers square dancing.

Dramatics

Drama—art expressed through acting

Behind the curtain workers, the make-up crew, apply make-up to the "How to Propose" cast.

David Stayner, Becky Diehl, and Gary Call in a scene from "The Imaginary Invalid".

A very happy "How to Propose" cast pose with their directors after winning the One-Act Play Contest.

Action behind the scene

Drama is a form of art in which participants are able to express a play's meaning through their acting skill. An active 1967-68 dramatics club presented one humorous comedy, "The Imaginary Invalid" in the fall, and they sponsored the One-Act Play Contest involving three dramas and one comedy. Adele Lash and Janet Prough were the winning directors of the play, "How to Propose."

Sara and Jenny argue heatedly as their inner selves, Becky and Anita look on in "Overtone".

The cast and director bow after "By Yourself, Because of Yourself."

Pep band, majorettes, pom pom corps

“And the beat goes on” through music

Some spirit-minded students show their school spirit through the Pep Band.

Pom Pom girls, Mel Pusti and Faye Binkley, proudly display their country and state flags preludeing a football game.

Sixteen lovely young ladies diligently working together for grace and skill, comprise the Pom Pom Corps. Many hours of practice are necessary to achieve perfection and their goal of an expressive and graceful routine.

and routine

The Pep Band, providing half-time entertainment for home games, proved to be one of the most successful bands in the area. Under the direction of Bev Chrysler and Kim Norton, the pep band played for the NECC Tourney.

The Pom Pom girls beautifully display their Chorus line arrangement as half-time entertainment for basketball games.

The Pom Pom Corps performed during basketball season. Also, along with the Majorettes, they led the marching band into half-time football performances.

FTA sponsored State School project; served at teacher breakfast

Jacque Boyer received the first C.T.A. Scholarship.

Learning the teaching profession comes from actual practice in the classrooms by FTA.

The cadet teachers are presented with actual teaching problems and are enabled to view the profession before committing themselves to it.

Under the leadership of Pres. Barb Dunkel, the club made the annual Christmas gift project to Ft. Wayne State School a success. Serving at the Teacher Breakfast was another activity of the club.

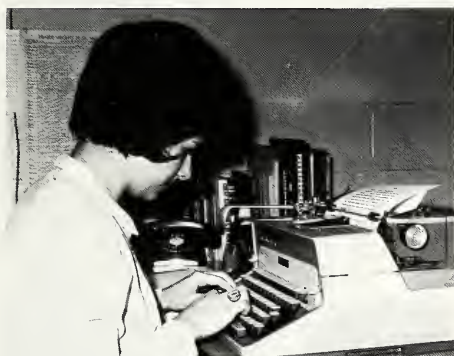

President Barbara Dunkel conducts on F.T.A. meeting in the cafeteria.

Future Teachers of America

FHC stresses learning to assist in careers

Senior Jane Pant was Co-recipient at the distinguished FHC Member Award. Wilmo Neeley was the other winner.

Future Health Careers Club

Learning to assist in the caring of others is one of the main objectives of the FHC Club.

Under the leadership of Pres., Jill Mills, forty-three dedicated girls adopted two State School children. The project included a regular correspondence with Christmas and birthday gifts.

Several Field Trips were taken including one to the Obstetrical Clinic in Elkhart.

Future Health Career member Mary Franklin takes Sharon Ransburg's temperature.

Haston, Luttmann chosen king and queen

The charming and lovely King and Queen candidates seem spell-bound by the ecstasy of the evening.

The third annual Sweetheart Dance, sponsored by the cheerleaders, was held Saturday, February 10, 1968. Couples danced throughout the evening to music provided by "The Perfect Yellow."

The enchantment and romance of the evening was highlighted by the crowning of King, John Luttmann and Queen, Marcella Haston.

To all who attended a cherished memory lingers on.

"We could have danced all night . . ." Each couple captivated in loving memories.

The evening slipped away for each Cinderella as the coach arrived at midnight.

Outstanding athletes receive recognition

Senior Dorane Beiswanger, because of his running achievements and high standards, was awarded the Larry Dunkel Trophy.

The Annual Prairie Heights Athletic Banquet was held in honor of all junior and senior high school athletes. Individual and team recognitions were given.

Kirk Aldrich acted as Master of Ceremonies for the evening.

Ken Falb, trainer of the Detroit Lions, was the featured speaker.

On behalf of the Varsity Football team, Craig Siders presented Coach Swan with a plaque of appreciation.

Coach Click presented both Jeff Butler and John McElroy with Senior Awards for Basketball.

Coaches Click, Grabill and Foltz enjoyed a good meal before making their presentations to the athletes.

Student life—high school

Love is living

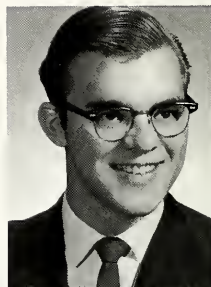

Love is the filling
of life with
noise, color and
excitement, done
by students enjoy-
ing the start
of their journey
through life,
still uncertain
of where that
long journey
will lead them.

Love—the laughter
experienced by
all, loving
and enjoying
every minute
of uncertainty.

We Finish—To Begin

graduation 1968

Music calms nervous tension and adds to the luster of graduation.

Mixed emotions fill the eyes of soon to be graduates.

Salutatorian, Sara Cline, stimulated thought among fellow graduates on "Lifetime Objectives."

Karen Gage, Valedictorian, presented a concept of graduation as "The Knock at the Door."

Tension mounts in anticipation.

The tassels are turned . . .

And Seniors become Graduates.

An Evening In Paris

Sophomore girls serve the array of tossed salads, jello, and cole slaw available at the salad bar.

Kirk Aldrich and Pam Housholder admire the pond in the beautifully decorated gym.

Upper left—Linda Lash, Dorane Beiswanger, Sara Jo Cline, and Garry Levitz enjoy salad before the main course of ham, baked potatoes, green beans, and dinner rolls.

Above—Pam Young foresees an illustrious future for seniors of 1968.

Jim, the Chemistry class clown, makes plans to blow up the classroom with his Hydrogen generator.

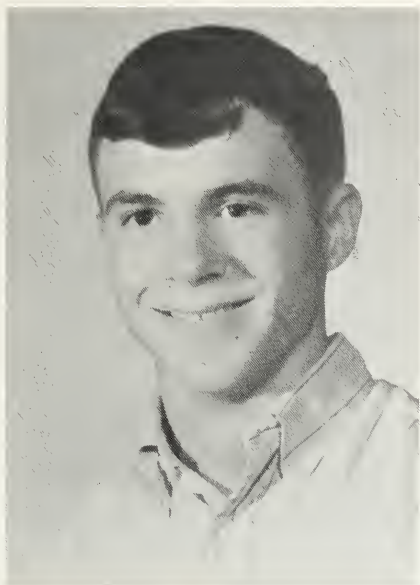

Junior English class isn't always like this! Behind these studious fronts are lurking the devilish plans of only human boys and girls.

Dave and Barry, Junior members of the Terra-Space club, seem captivated by one of their field trips.

Junior, Barb Dunkel, participated in a speech contest sponsored by the Knights of Pythias Lodge. Winning at LaGrange and South Bend, she went on to the State Contest at New Castle where she placed second. The theme for the contest speeches was, "Lifetime Objectives." Mr. Hepler is Barb's speech teacher. Congratulations Barb!

In memoriam

November 2, 1967

To Larry Dunkel

As when the setting sun in the
far west,

Touching with golden light all in
its path,

Tarries a moment on its way to rest.

Then sinks, in strength, to seek its
aftermath;

So went he on an evening, to farewell.

That gleaming life which over us
had shone,

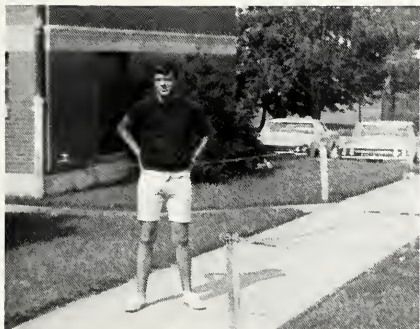

Gilding with beauty all on which
it fell,

Tarried with us an instant—then
was gone.

But even as the sky is glowing still
And filled with gorgeous colors, though
the sun

Goes on, his wondrous labors to fulfil.
So is it with us, now his life is done.
That brilliant, glowing splendor
which was his

Lives on in all our lives and
memories.

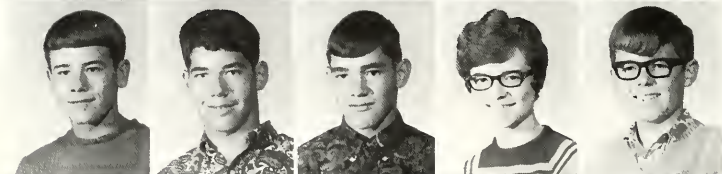

Sophomores Brimming with enthusiasm

Deb seems a little too short so tries "piggy backing" for a peek.

This past school year saw the class of '71 become a real part of the student body. Under the leadership of President Debbie Tracey, Vice President Chuck Huff, Secretary Vicky Bryant, and Treasurer Terry Levitz, the freshmen began to take part in the school activities that opened to them with their "move" into the senior high.

The freshmen class cheered the team on at our first homecoming game and that glorious win will remain with them throughout their high school years.

The freshmen also took delight in backing their queen and king candidates that represented them at various social functions during the year.

The highlight of their school year was their class party, "The Fabulous Funnies." The kids were dressed as characters in the comics as they danced to the rockin' music of "A Graven Image."

Student life—jr.

high

Love is living

Love is the filling
of life with
noise, color and
excitement, done
by students enjoy-
ing the start
of their journey
through life,
still uncertain
of where that
long journey
will lead them.

Love—the laughter
experienced by
all, loving
and enjoying
every minute
of uncertainty.

Hard work is necessary to attain knowledge.

At the beginning of the 1967-68 school season, 164 "aliens" invaded Prairie Heights. Their minds were filled with anticipation of the world that was opening to them; Their school measured up to their every dream and more.

Many students found it difficult in switching from the "one classroom, one teacher routine" to a routine of many classrooms, many teachers, and many things to do.

Under the leadership of Nancy Halsey, Pres., Junior Straw, V. Pres., Sec.-Treas., Tony Keyes, and Reporters Marilyn Coney and Dan Stalf, the seventh grade have taken their first step toward their not-too-distant goal.

Jr. High musicians are on the go

Mr. Tackett conducts the Junior High Band in one of their melodious tunes.

Eager learners watch Mr. Tackett demonstrate proper drumming techniques.

Eighty-six seventh and eighth grade students gave devotedly of their time to comprise the Junior High Band. Among the Junior "High-lites" in band this year were: fall, Christmas and spring concerts and the Memorial Day Parade. The marching band was led by drum majors Kim Kellett, eighth, and Greg German, seventh.

Band members, Keith Chrysler and Jim Fuller journeyed to Butler, Indiana, for a Solo Ensemble Music Contest where they placed first and second, respectively.

Marilyn Cline competed in the NISBOVA Music Contest held in Ft. Wayne, Indiana, where she placed second with a piano solo.

Junior High musicians are certainly on the go!

The select choir presents a special assembly for their fellow classmates.

The annual Junior High Christmas program provided a night of song and beauty.

The Junior High combined chorus has provided a lot of beautiful music for both the school and the public to enjoy.

Their Christmas program and Spring Concert were huge successes as they put forth their very best talents and efforts.

A special select choir is also chosen. These students perform at surrounding grade schools.

Junior team prepares for future

Jr. High Football. FRONT ROW: K. Shumaker, G. Penrod, N. Lash, R. Pusti, R. Holliday, M. Austin, A. Miller, D. Kuhn, B. Milleman, G. Degran, J. German. *SECOND ROW:* Coach Bremer, K. Kellett, J. Diehl, R. Stanski, D. Benson, J. Reading, C. Keyes, P. Rasler, K. Kellett, T. Davis, C. Denton, Coach Click. *THIRD ROW:* Coach Grabill, L. Snyder, R.

Davis, J. Schmidt, L. Stacey, S. Shultz, B. Rhinesmith, R. Dangler, K. Frey, B. Foltz, B. Eberhard, Coach Foltz. *BACK ROW:* M. Tullis, R. Sanders, R. Sutton, D. Spencer, M. Sassanella, R. Wooster, J. Straw, R. Tracey, G. Kline, M. Krieger, J. Fuller, J. Mills.

Team runs hard—captures La Grange county championship

The 1967-68 junior high cross country team, coached by Mr. Greshaw, compiled a record of 16 wins against 8 defeats. This team, led by Gary Hollowell, who owns the school junior high record of 5 minutes and 21 seconds for the mile, captured the LaGrange county championship and were presented a fine trophy. The many fine 7th grade students on the team promise to provide a successful season next year.

Jr. High Cross Country. FRONT ROW: H. Myers, J. Hamilton, J. Cowley, M. Nelson, D. Twitchell. *SECOND ROW:* G. Silvers, G. Hollowell, S. Glasgow, N. Smith, L. Beiswanger.

BACK ROW: Coach Greshaw, R. Nelson, S. Riegel, T. Northrup, D. Coney, J. Shire.

Jr. High Basketball

A Panther Cub leaps into the air for control of a jump ball. Sometimes there are so many hands that you begin to question the location of yours.

Action in Junior High Basketball had its ups and downs this year. The eighth grade ended their season with two wins and the seventh grade won three games. Greg Silvers, seventh, and Ken Sanders, eighth, led their teams in most points scored per season.

Early hours of the morning saw the Panther Cubs practicing basketball because of the busy gym schedule. Only young men dedicated to their cause would report for practice at 6:00 a.m.

Eighth grade Basketball: BACK ROW: Coach Kuhn, T. Witham, R. Tracey, M. Sassanella, D. Bardon, T. Northup, B. Rhinesmith, J. Fuller. *SECOND ROW:* G. Hollowell, M.

Fisher, L. Snyder, R. Dangler, S. Riegel, K. Keyes, K. Kellett. *FRONT ROW:* B. Davis, D. Twitchell, G. Silvers, R. VanWagner, F. Stayner, H. Myers, M. Coney, A. Miller.

Teamwork lays victory's foundation

Eighth grade "Panther Cubs" are up for a rebound. On each face is the aspiration to be victorious. A team is bound together by a goal universal to its members.

Junior High fans are led by eighth grade cheerleaders: Rainelle Gordon, Rosemary Reed and Kay Spillner. The words "Fight, Fight, Fight a little harder" ring from spirit-minded fans and spur the team on to victory.

Seventh grade Basketball: BACK ROW: Coach Bremer, P. Rasler, T. Davis, K. Sanders, J. Straw, J. Mills, S. Shultz, J. Shire. SECOND ROW: R. Holiday, K. Frey, G. Ger-

man, M. Tullis, R. Stanski, K. Shumaker. FRONT ROW: J. German, M. Nelson, N. Lash, R. Noll, K. Kellett, S. Glasgow, B. Milleman.

Seventh grader, John Shire, glides over a hurdle in perfect form. Skill is marked not only in body and form but in mind and psychological preparation.

The finish line and the Panther is half a stride ahead. Clenched fists and gritting teeth mark an inner will for victory.

Eighth Grade Track

Jr. High finishes third in county meet

Junior High Cindermen saw limited action with most of their meets canceled due to rain. Their season ended with a 3—2 record, which shows that their season as a whole could have gone either way. Coach Greshaw thinks the boys would have had a better standing if weather had permitted. The Coach (Doc) bases this prophecy on the fact that almost all school records in Junior High Track the boys (interns) thought unbreakable were “broken”, “set”, and “reset.”

Weather permitted the LaGrange County Track Meet to take place and Prairie Heights was the host school. We placed third in the meet with points being carried by the 880 relay team of Shire, Stanski, Hollowell and Sassanella; Greg Silvers, pole vault; Gary Hollowell, half mile; and Rocky Stanski in the 440. These boys all broke Junior High records for our school at this meet in their respective fields.

The High School Track team will be welcoming some of these boys next spring. Four years lie ahead with expectations of full blossoming.

Seventh Grade Track

Advertisements

Love is freedom of choice

Love—the opportunity to make your own choice, the freedom of choosing without fear of being reprobated.

Love is the existence of free enterprise, the selling of one's goods, the making of profit to better oneself, the providing of all with the choice to make their own decisions.

Lord, we don't need another mountain,
There are mountains and hillsides enough to climb;
There are oceans and rivers enough to cross,
Enough to last till the end of time.
Lord, we don't need another meadow,
There are cornfields and wheatfields enough to grow;
There are sunbeams and moonbeams enough to shine,
Oh, listen, Lord, if you want to know.
What the world needs now is love, sweet love,
It's the only thing that there's just too little of.
What the world needs now is love, sweet love,
No, not just for some, but for every one.

H. T. A.
J. Smith

[illegible]

Cindy
 How we are glad to really be
 home already. Up in the
 desert again. Exciting!
 Just began our exciting
 journey. H. H. S. - exciting
 know P. H. S. and good luck
 life. Love to you and good luck
 need good time to travel. You
 have a good time. A. H. S.
 Keep the future. A. H. S.
 in the
 home

Cindy,
To a good
Homeec. Pal who
is such a nut! Have
fun this last year and
I'll see you in May.
Love,
Bonnie

Cinder,
Is a very
pretty girl
that I have come
to regard as a very
special person.
Keep up the great
personality and friendly
smile and the world will
be yours when you want it
P.S. Watch after Elmsi
in the store for me
A.F.H. Heller

May God Bless You

kindly,
 We are real sweet and wish to have to be with you are
 a real nut. We have been good friends for a long
 time. I hope we will always be friends. I must be
 sure we had two summer ago and the year we
 had this summer. I can see on your big brother
 he is a wonderful guy even if you don't think so.
 I hope you find the night guy soon. You deserve
 a good guy. Good luck on what ever you do. I
 hope to hear because you want to see you soon

Andy,
To one of my
best friends. I hope
we have as much fun
in the future as we have
had lately. I'll always remember
the fun we've had riding around
since we've got our horse. Good
luck in the future.

NFA
Elina

Andy,
Remember all
the fun we had
together. I hope
you'll have as
much fun as we
did. I'll always
remember the
fun we had
riding around
since we've got
our horse. Good
luck in the future.

Andy,
To one of my
best friends. I hope
we have as much fun
in the future as we have
had lately. I'll always
remember the fun
we've had riding
around since we've
got our horse. Good
luck in the future.
